

Get Ready for Advent!

CWS | October 2021 Update

Greetings from Churchweb

Hello and thank you from your friends at Churchweb Support!

The pandemic has been a time of unprecedented difficulty, but also one of even greater support. We extend our utmost thanks to your congregation for sticking with us while we have been supporting you throughout the various lock-downs and stay-at-home orders.

With the pandemic (seemingly) behind us, we are excited to be back in the office!

Our team has been working hard behind-the-scenes on creating a better customer experience for all of our clients.

Advent begins November 28th 2021!

As Christmas approaches, here is a reminder to send your Holiday news updates and event bulletins!

Email us with your posts as soon as possible.

We are also looking for testimonials from you! We would love to know about your experience with us. **Reply to this email with your feedback, or [submit a review](#).**

Is your website is working for your needs? You may want to consider upgrading your plan in preparation for the New Year—**learn about our different plans and what each plan has to offer [on our website](#).**

Faithfully at your service,

– Churchweb Support Team
